

# Globally, 70+ million people have a limb difference

However, meeting this need is difficult as traditional prosthetics are expensive and require extensive clinical infrastructure

## Koalaa has changed this!

We have **reinvented** the prosthetic and **reimagined** the service

CLINIC IN A BAG

LEMB BUDDY SERVICE

As a result  
**90%**  
do not have access

- Delivered to users
- No infrastructure needed
- Universal access
- Koalaa Global Training Course

Koalaa is implementing a national service in
